- Notes:
- 1) Square Mileage is based on 2010 land area as determined by the Rockland County Dept. of Planning.
  - 2) Rockland County's 196 census block groups from the 2000 Census have been redrawn into 203 census block groups for the 2010 Census. Although most of the 2010 block groups are exactly the same geographically, not all of them match 2000 block groups.
  - 3) Changes in Population Density between 2000 and 2010 may not necessarily be due to population change, but may be due to a change in census tract or block group boundaries.
