Note: Square Mileage is based on 2000 land area as determined by the Rockland County Dept. of Planning.

Note: Rockland County's 196 block groups from the 1990 Census have been redrawn into 196 block groups for the 2000 Census. Although most of the 2000 block groups are exactly the same geographically, not all of them match 1990 block groups.

Note: Changes in Population Density between 1990 and 2000 may not necessarily be due to population change, but may be due to a change in census tract or block group boundaries.
